Agreement Number(s) : 491103984-115

Customer Name: Picanova Inc.

Effective Date: January 12, 2026 ("Effective Date")

FedEx and Customer entered into a FedEx Pricing Agreement ("Agreement") identified above. FedEx and Customer now desire to amend the Agreement.

Pricing shall be amended as identified on the attachments to this Amendment. The pricing is effective the later of the date identified above, if any, or within five business days following possession of a fully executed Amendment by FedEx's authorized representative ("Effective Date").

This Pricing Agreement/Amendment hereinafter collectively refers to a Country or Territory as "Country or Countries".

Except as otherwise provided, the pricing for each agreement section addressed in this Amendment is hereby replaced with the pricing contained in the following attachment. For all sections not addressed herein, the pricing, terms and conditions of the original Agreement (or subsequent amendments) shall remain in full force and effect and are hereby ratified and confirmed.

Other than as provided in this Amendment, all words and definitions in this Amendment shall have the same meaning in this Amendment as in the Agreement.

As of the Effective Date, FedEx Freight, Inc. is a subsidiary of Federal Express Corporation (FEC). To the extent applicable, this Agreement/Amendment is being entered into on behalf of FedEx Freight, Inc. as a separate operating company with FEC as its parent company. The parties understand and agree that a spinoff of FedEx Freight, Inc. is intended to occur within the term of this Agreement pursuant to which FedEx Freight, Inc. will become a separate entity from FEC ("Spinoff"). Notwithstanding any other provision contained in the Agreement, the parties acknowledge that the Spinoff will result in a change of ownership and voting control of FedEx Freight, Inc. and agree such Spinoff shall not trigger any default, right of termination, or need for additional notice or consent that may otherwise be required due to any non-assignment or change of control provisions herein. It is the intent of the parties that after the Spinoff, this Agreement will continue in effect with FedEx Freight, Inc. and/or any parent company or subsidiaries of FedEx Freight, Inc. that may evolve, in its capacity as a newly formed independent entity.

Term 2

Effective from the start date of Term 2, all Surcharge Modifications in the table(s) above will be assessed as per the published list amounts for such fees/charges in the FedEx Service Guide in effect on the date of shipment.

United States Pricing Provisions:

Money Back Guarantee. Customer waives the right to request refunds under the FedEx Money-Back Guarantee as specified in the FedEx Service Guide.

Unexpected International Volume. Customer agrees that FedEx's operations may be impacted if Customer's average weekly weight of shipments tendered to FedEx from any origin and destination country pairing increases by more than fifteen (15%) from the average weekly

weight for the preceding 12 week period (such increased volumes, being a "Volume Surge"). Beginning Twelve (12) weeks after the Effective Date, Customer agrees that in the event of a Volume Surge, FedEx may, in its sole discretion: i) upon notice to Customer, refuse some or all of Customer's future shipments and/or modify the service type for some or all of Customer's shipments moving forward, and/or ii) upon thirty (30) days' notice to Customer, modify the pricing and discounts provided to Customer for Services covered by this Agreement. This provision applies to international shipments only.

Termination Fee. By executing this Agreement, Customer agrees that in the event it initiates an Early Termination Event, defined below, FedEx reserves the right to assess a Termination Fee in the amount of \$500,000.00. For purposes of this Agreement, "Early Termination Event" shall be defined as the Customer taking any of the following actions: a) terminating this Agreement prior to the latest end date of the pricing terms defined in this Attachment; b) transitioning 20% or more of volume from FedEx to a FedEx competitor prior to the latest end date of the pricing terms defined in this Attachment; c) placing the shipments covered by this Attachment out to bid or soliciting bids or pricing more than 120 days prior to the latest end date of the pricing terms defined in this Attachment, provided that the Customer does not transition more than 20% of the volume away from FedEx as a result of the bid regardless of the bid decision; and/or failing to achieve a yearly minimum of \$5,000,000.00 in combined FedEx Express and FedEx Ground Net Revenue, calculated quarterly ("Minimum Annualized Net Revenue"). The first calculation period will be based on the prior three (3) months of Net Revenue beginning 30 days from the Agreement effective date. Prior to the first anniversary of the Effective Date, Customer's Net Revenue will be annualized for purposes of determining whether the Minimum Annualized Net Revenue has been met. Net Revenue is defined as total transportation charges for Express and Ground services together with any transportation-related fees and surcharges billed to Customer, excluding duties and taxes. This provision takes precedence over any conflicting termination penalty language contained in the Agreement.

United States Ground Domestic Single Piece:

The following pricing applies to the individual FedEx accounts associated with the Customer as follows: 488838028 (Country ID)

Discounts and/or net rates, if any, do not apply to fuel surcharges, duties and taxes, special handling fees, surcharges, ancillary or other charges (the amounts of applicable special handling fees, surcharge, ancillary and other charges shall be, unless otherwise noted herein, the published amounts for such fees/charges in effect on the date of shipment).

For Services receiving a percentage off, discounts are based on the published Ground Domestic Single Piece base rates that can be found at <http://www.fedex.com/us/service-guide/our-services/index.html>. For Services on net rates, if any, the below net rate tables supersede the published base rate. In addition, any fraction of weight is rounded up to the next higher weight break as per the applied base rates.

The following pricing for Ground Domestic Single Piece supersedes all prior Ground Domestic Single Piece pricing for individual FedEx accounts associated with the Customer identified above.

Pricing Terms. Unless otherwise noted, the following term table is applicable to all services in United States. In the event that FedEx increases its applicable base rate during the term of the Agreement, Customer's rates shall be adjusted to reflect the base rate increases.

Term	Term Start	Term End	Base Rate	Rate Cap
1	01/12/2026	06/22/2026	Service Guide in Effect on Date of Shipment	4%
2	06/23/2026	Does Not Expire	Service Guide in Effect on Date of Shipment	-

Rate Cap. In the event that FedEx increases its published list rates during the time period specified, Customer's rates shall be adjusted by the lesser of the rate cap percentage or the published effective rate increase. At such time FedEx will adjust the Customer's discounts to

reflect the applicable rate increase. Customer's effective rate increase may be greater than or less than the rate cap, based upon Customer's actual shipping patterns. Customer's adjusted discounts, if applicable, shall become Customer's revised discounts and shall apply to Customer thereafter.

Notwithstanding the foregoing:

- (i) The above referenced cap is exclusive of any increases in surcharges.
- (ii) In the event that FedEx reduces its Weekly or Monthly Fuel Surcharge concurrently with an increase to its list rates, Customer's rate cap will be adjusted accordingly to offset this reduction in fuel.
- (iii) The rate cap contained in this pricing section shall not apply if Customer fails to ship at least 1,000 packages/shipments in the above-referenced service category during the twelve (12) month period preceding the applicable rate cap calculation date (such date to be determined by FedEx in its sole discretion). The aforementioned minimum number of packages/shipments shall be annualized if Customer's applicable calculation period is less than twelve (12) months. This minimum package/shipment requirement applies to each service category for which Customer has a rate cap.

Pricing Terms. Unless otherwise noted, the following term table is applicable to all services in United States. In the event that FedEx increases its applicable base rate during the term of the Agreement, Customer's rates shall be adjusted to reflect the base rate increases.

 (ii) In the event that FedEx reduces its Weekly or Monthly Fuel Surcharge concurrently with an increase to its list rates, Customer's rate cap will be adjusted accordingly to offset this reduction in fuel.

Termination Fee. By executing this Agreement, Customer agrees that in the event it initiates an Early Termination Event, defined below, FedEx reserves the right to assess a Termination Fee in the amount of \$500,000.00. For purposes of this Agreement, "Early Termination Event" shall be defined as the Customer taking any of the following actions: a) terminating this Agreement prior to the latest end date of the pricing terms defined in this Attachment; b) transitioning 20% or more of volume from FedEx to a FedEx competitor prior to the latest end date of the pricing terms defined in this Attachment; c) placing the shipments covered by this Attachment out to bid or soliciting bids or pricing more than 120 days prior to the latest end date of the pricing terms defined in this Attachment, provided that the Customer does not transition more than 20% of the volume away from FedEx as a result of the bid regardless of the bid decision; and/or failing to achieve a yearly minimum of \$5,000,000.00 in combined FedEx Express and FedEx Ground Net Revenue, calculated quarterly ("Minimum Annualized Net Revenue"). The first calculation period will be based on the prior three (3) months of Net Revenue beginning 30 days from the Agreement effective date. Prior to the first anniversary of the Effective Date, Customer's Net Revenue will be annualized for purposes of determining whether the Minimum Annualized Net Revenue has been met. Net Revenue is defined as total transportation charges for Express and Ground services together with any transportation-related fees and surcharges billed to Customer, excluding duties and taxes.
