- e. The provisions of this Section 10 shall expressly survive the expiration or termination of this Agreement.

11. Records. OnTrac shall maintain complete and accurate records of all amounts billable to Shipper (and payments made by Shipper to OnTrac) under this Agreement in accordance with Generally Accepted Accounting Principles ("GAAP"). Volume Forecast

Shipper has an obligation to provide OnTrac an accurate weekly forecast of anticipated outbound Package volume into OnTrac's network ("Forecast"). If Shipper's Forecast is approved, OnTrac will then provide Shipper with an acceptable variance level which must be maintained. OnTrac reserves the right to reject any Packages in excess of its issued variance level.

Exhibit B
RATES

Shipper and OnTrac agree to a 2-tier monthly rate structure based upon Shipper's Weekly Average Minimum. The Weekly Average Minimum will be calculated each week on a trailing six (6) week basis using the total number of packages for which Shipper is invoiced during the relevant trailing six (6) weeks divided by six (6) ("Weekly Average Minimum").

The Shipper's Tier may be adjusted monthly according to its Weekly Average Minimum and the applicable adjusted Rates shall go into effect on the first Saturday in a calendar month. If the first day of the month is a Saturday, then the applicable Rates will be effective on the following Saturday.*

Tier 1 – Rate Card A shall apply if Shipper's Weekly Average Minimum equals **5,364** packages per week or less.

Tier 2 – Rate Card B shall apply if Shipper's Weekly Average Minimum equals **5,365** packages or more per week.

***Tier 2 – Rate Card B** shall be applied as of the Agreement Effective Date and shall continue for a period of sixty (60) days. Thereafter, the Shipper's Tier may be adjusted monthly as outlined above.

In the event that Shipper fails to meet a Weekly Average Minimum of 3,500 packages per week at any time during the Term, OnTrac shall have the option, in its sole discretion, to require Shipper to renegotiate the applicable delivery rates and the Parties shall promptly negotiate in good faith to agree on such revised delivery rates. If the Parties are unable to agree on revised delivery rates within thirty (30) days of Shipper's receipt of OnTrac's written notice, OnTrac shall, at its sole election, have the option to impose the then current list rates or terminate this Agreement immediately.

Exhibit C
SURCHARGES

Surcharges

In addition to the per Shipment Rates enumerated in Exhibit B above, all Shipments are subject to the Surcharges applicable to a Shipment at the time of shipping as published on OnTrac's website available at <https://www.ontrac.com/surcharges>. The Surcharges shall be reduced by the applicable "Surcharge Discounts" set forth below in this Exhibit C. It is the sole responsibility of Shipper to monitor the Surcharges all of which are subject to periodic updates without notice.

Pickup Detention Fee

If Shipper delays the pickup past the agreed upon Critical Pull Time (CPT), OnTrac may, at its sole discretion, agree to hold the truck until the freight is ready. In such a case, transit times may be delayed, and Shipper will be assessed a pickup detention fee of fifty dollars per hour (\$50 USD/hour) ("Pickup Detention Fee").

Pickup Cancellation Fee

If Shipper cancels the scheduled pickup within two (2) hours of the scheduled CPT, a pickup cancellation fee of two hundred and fifty dollars (\$250 USD) will be assessed ("Pickup Cancellation Fee").
